How Certus Helps New Franchise Owners

Accounting System Setup

- We'll set up your chart of accounts and integrate your POS system, payroll, and bank feeds—so your books are accurate and efficient from the start.

Monthly Bookkeeping & Financial Reports

- Understand your numbers. We deliver timely, accurate financials so you can track performance and make confident decisions.

Franchise-Specific Support

- We align your reporting with Bricks and Minifigs' requirements and help you stay compliant with royalty reporting and operational benchmarks.

Sales Tax & Payroll Support

- From sales tax filing to full-service payroll, we keep you compliant and on time.

Profitability Coaching & Advisory

- As your business grows, we'll help you manage cash flow, set goals, and maximize profits—based on your actual financial data.
